

CALL FOR NOMINATIONS

2009 PLANNING AWARDS
CONNECTICUT CHAPTER AMERICAN PLANNING ASSOCIATION

WWW.CCAPA.ORG

THE AWARD PROCESS

The Awards Program of the Connecticut Chapter of the American Planning Association recognizes outstanding planning initiatives on an annual basis.

If you know of a project or individual meriting recognition, please complete and submit a referral for the Award Committee's consideration.

The Committee will evaluate each referral and contact the nominated party to obtain supporting information, as necessary.

The Awards Committee will review the nominations and render a final decision by October 15, 2009. Awards will be presented at a Chapter meeting to be held later in the year.

DEADLINE: SEPTEMBER 18, 2009

2009 AWARDS COMMITTEE

Bruce Hoben - In Memoriam

Fran Armentano

CATEGORIES

BRUCE HOBEN DISTINGUISHED SERVICE AWARD

This award is given in memory of Bruce Hoben, whose selfless involvement with and longtime leadership in the Chapter along with his many contributions to the practice of planning in Connecticut, truly exemplify the spirit of distinguished service.

PUBLIC SERVICE To an individual (or group of individuals) acting in public capacity who has contributed to the public benefits of planning through the promotion or application of sound planning principles or played a significant role in a specific planning project.

PUBLIC PROGRAM/POLICY To a public program, process or policy of unusually high merit that demonstrates achievable strategies for addressing conservation, development, environmental protection, regional planning or other issues affecting Connecticut's quality of life.

COMMUNICATIONS For media coverage or an outreach program that broadens the general public's understanding of planning processes, issues, objectives or accomplishments.

CITIZEN PLANNING To a citizen or group of citizens working in a non-compensated capacity who has/have made a significant contribution to planning.

COMMUNITY DEVELOPMENT For a project, program or initiative that bolsters the social and economic welfare of the community.

SUSTAINABLE DEVELOPMENT For a project constructed in the past year that embraces sound planning principles and sustainable development practices.

IMPLEMENTATION To an adopted plan, ordinance or regulation that embodies clear and achievable actions through demonstrated results.
